

The background image is a high-angle, wide shot of a scenic landscape. A two-lane asphalt road bridge with white support pillars curves gracefully over a calm lake. The lake's surface is still, reflecting the surrounding forest and the sky. The forest is dense and vibrant with autumn colors, ranging from deep greens to bright yellows and oranges. In the distance, misty mountains rise above the treeline, their peaks partially hidden by soft, white clouds. A single white Scania truck is visible on the bridge, moving away from the viewer. The overall atmosphere is serene and majestic.

# **SCANIA CLIMATE DAY 20 SEPTEMBER 2019 TRAINING GUIDE**

# THE SCANIA CLIMATE DAY – BACKGROUND

## Driving the shift

Scania's purpose  
and the name of  
our strategy

- Utmost importance that each of us is fully aware of the path that we are following in driving the shift to a sustainable transport system
- Forerunner to the United Nations' Climate Action Summit in New York

**CLIMATE ACTION** SUMMIT  
2019

**A RACE WE  
CAN WIN**

# PURPOSE WITH CLIMATE DAY

## Our commitment

To take sustainability to the next level

## Raising awareness

Enable employees to learn more about climate change, Scania's response and to spur engagement

## Continuous improvement

Efforts and ambitions to drive the shift towards a sustainable transport system

# YOUR ROLE AS TRAINING LEADER

Lead a one-hour training session with your group

Stimulate engagement and action around this subject

Follow the times in the Running Schedule as much as possible

Set clear next steps and integrate the outcomes into your normal improvement work

# MATERIAL TO BE USED DURING THE TRAINING

CEO message  
Henrik Henriksson video

Booklet  
Scania Climate Day

Climate Day Quiz

# YOUR PREPARATIONS BEFORE CLIMATE DAY

## Invite

- Max 20 People

## Read

- Training guide
- Scania Climate Day Booklet
- Climate Day Quiz

## Reflect

On your group's possible impact and contribution

- WHAT
- HOW

# SOME HELPFUL QUESTIONS TO REFLECT ON IN ADVANCE

- What do we already do in our department and/or business unit that impacts the climate?
- Do we have contact with customers, with other Scania departments or external stakeholders – can we influence decisions by others regarding climate?
- Do we have energy-intensive activities?
- How do we travel at work – short and long distances?
- What more can we do in your regular work to promote sustainability or climate awareness in our department or in our business unit?

# RUNNING SCHEDULE

<b>START</b> 5 min	Keep the booklet in front of you
<b>CEO MESSAGE</b> 15 min	To get everyone on track, and warmed-up for discussion
<b>LEARN</b> 15 min	Learn more about climate change and what we can do about it
<b>OUR IMPACT</b> 15 min	Raise awareness about what we do in our group that impacts the climate
<b>WRAP UP AND WAY FORWARD</b> 5 min	Wrap up and make sure that there is a decision on next step

**Thank you for your valuable contribution!**

The Scania Climate Day cannot be done without you as engaged and committed training leader.

Henrik Henriksson and the Executive Board
