APPRENTICESHIP OPPORTUNITIES

SCANIA

An apprenticeship program is one of the best ways to have first class on-the-job training and earn a regular wage. We will give you the chance to work for the Scania Australia and gain a nationally recognised qualification.

About Scania

With over 50,000 employees in 100 countries, Scania is a major supplier of trucks, buses, coaches and engines.

Scania is at the cutting-edge of technology with our focus on digitalisation, autonomous vehicles, electrification and sustainability as we drive the shift towards a sustainable transport system.

If you want to be fully-prepared for the jobs of tomorrow, join the Scania Apprenticeship Programme commencing in 2021 to get your career off to a flying start.

Our Apprenticeships

We're always on the lookout for skilled employees and an Apprenticeship Program is one of the best ways to have first class on-the-job training and a regular wage.

The Scania Apprenticeship Program comprises:

- Direct employment at a Scania branch
- Supervised 'on-the-job' training
- 'Off-the-job' training at both the local TAFE & the Scania National Training Centre.
- Certificate III Trade Qualification
- Work with a state-of-the-art product – across multiple industries
- Opportunity to participate in the global Scania Top Team technician competition.

PLUS: Enjoy the benefits of working for a leader in the global heavy-duty transport industry:

- Learn a trade while earning
- Paid TAFE fees and travel-related expenses
- Supplied uniform and personal protective equipment (PPE)
- Supportive mentoring and coaching from experienced tradespeople
- Access to the Employee Assistance Program.
- Above award wages
- Equal opportunity employer

Scania offers a dynamic and fulfilling work environment. Your unique background, your ideas and your energy will all add to the success of this much-respected brand.

If you are highly motivated and enjoy responsibility, you will thrive at Scania.

Is this you?

- Mature and responsible attitude
- Good work ethic
- Self-motivated
- Willing to commit to structured training
- Ability to work in a team-based environment
- Willing to learn new skills
- A 'can-do' attitude towards work

Now is the time to make your mark.
