AUTUMN/WINTER 2017

**SCANIA
TRUCK GEAR**

THE DAWN BELONGS TO US

When the streets are quiet and the city's yet to wake, we're the ones who set the wheels in motion. Turning on our headlights before daylight dawns, ready for whatever the road throws at us – all to keep the city growing, changing and adapting. Steady, fast, and reliable – we carry our loads wherever they need to go. Because the road, dusk or dawn, never sleeps.
