

PARTS SOLUTIONS

2020 EDITION

SCANIA

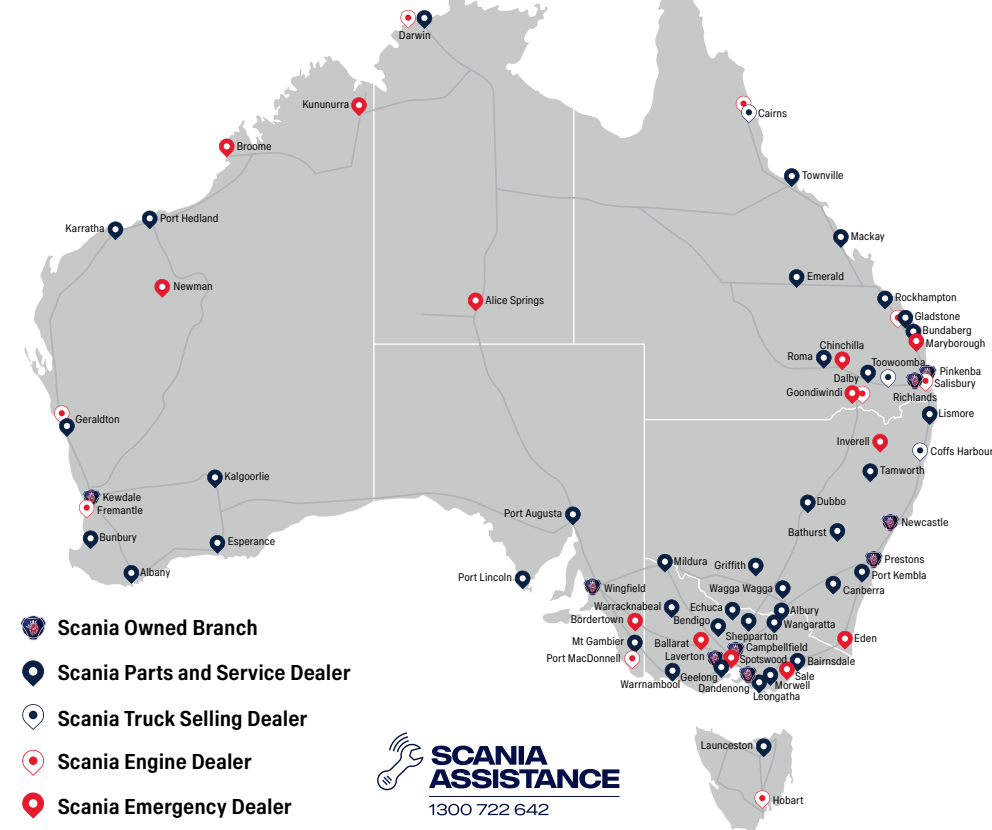

WHAT IS SERVICE EXCHANGE?

Re-engineered to the original specification with excellent availability and backed by a full Scania warranty plus the comprehensive international operator support service of Scania Assistance. Every Scania Service

Exchange part is of the same high quality as a brand new Scania part, because we recycle those components that have retained their original build-quality and replace those that haven't.

SCANIA SUPPORT NETWORK

GENUINE VALUE ON REPLACEMENT PARTS

Scania's genuine replacement parts are more affordable than you think.

Scania recommends using only genuine replacement parts to keep your Scania truck or bus on the road for longer, reducing the potential for an unplanned stop.

All Scania genuine parts have been engineered and manufactured to Scania specification, to ensure they work perfectly every time you turn the key.

Scania parts give you complete peace-of-mind on pricing, performance and uptime.

Offer price based on Genuine Service Exchange product and subject to a core deposit.

BRAKE DISC

4TB, PGR, FKN, NTG
 Not ZF rear axle

1889543

\$299 EACH

i BRAKE DISC

Scania high strength brake discs are renowned for their excellent cooling properties. They can withstand up to 900°C, which means a longer life and less risk of brake fade, giving you highly reliable braking and increased driving safety.

BRAKE PAD KIT

4TB, PGR, FKN, NTG
 CITY Bus

2325212

2325213

\$259 EACH

i BRAKE PAD KIT

How long your brakes last and how well they function depends on where and how you drive. Scania brake pads are carefully tuned to Scania brake discs. It's a combination that optimises brake functions and reliability, giving you long-lasting safety on the road.

BRAKE DRUM

3TB, 4TB, PGR, NTG (7 Inch)	1414152
3TB, 4TB, PGR, NTG (8 Inch)	2378715

\$275 EACH

i BRAKE DRUM

Scania high-strength, cast iron brake drums are renowned for keeping their shape and can deter cracking. They will withstand very high temperatures, which guarantees a longer life and less risk of brake fade, giving you reliable braking and increased driver safety.

AIR DRYER PROTECTION FILTER

4TB, PGR, FKN, NTG	2562323
--------------------	---------

\$59 EACH

i AIR DRYER PROTECTION FILTER

Scania air dryer filters stop up to 99.95% of all particles from reaching the air filter cartridge.

GENERAL TERMS & CONDITIONS

All prices include GST. Prices may change at any time without notice. All items subject to availability. # Offer price based on Genuine Scania Service Exchange product and subject to a core deposit. The images used in this publication represent the type of product available and may not look exactly like the product purchased. Vehicles may be specified with products other than those shown, so before purchasing the item you require please check with your local Scania parts department that it is the correct product for your vehicle type. All information is believed to be correct at time of going to print. However, Scania reserves the right to introduce, at any time, modifications or changes to detail as part of a policy of continuous improvement. Valid 01/01/2020 to 31/12/2020.

Scania Genuine Parts Terms and Conditions

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Subject to any such non-excludable rights and this express Warranty, all other terms, warranties, conditions, representations and undertakings (express or implied) which may lawfully be negated, excluded, modified, limited or restricted from and in relation to the sale of your Scania part/s are hereby to the extent permitted by law (but not otherwise) negated, excluded, modified, and restricted and the Company's liability shall, whenever permitted by law, be limited to the repair or replacement of any defective or faulty part or the payment of the cost of any such repair or replacement as the Company in its sole discretion determines to be appropriate. Scania Australia Pty Ltd (the Company) warrants that each new Scania Spare Part sold by it or any of its Branches or Authorised Distributors/Dealers to be free from defects in material and workmanship under normal use and service, its obligation under this warranty being limited to repairing or replacing, as hereinafter provided, at its option, at the Company's Branch or Authorised Distributors/Dealers discretion any part or parts found to the Company's satisfaction to be defective upon examination by it.

Fitted Price Repairs Terms and Conditions

1. Scania Australia standard terms and conditions of sale apply. These are available online at www.scania.com.au 2. Applies to Retail sales only. 3. Available at participating branches and dealers only. 4. Fitted prices include inspection, diagnosis, verbal assessment, Scania approved parts, labour and consumables. 5. All prices include GST. 6. The published prices apply to the job shown (part numbers & RTS codes) and do not apply to other similar products available from Scania. 7. The Fitted Price Repair special offer pricing cannot be used in conjunction with any other discount or promotion. 8. Fitted Price Repair pricing is part of a promotional offer, which can be withdrawn at any time. In the event Scania Australia chooses to withdraw the promotion, then notice will be issued via the website: www.scania.com.au . This would not affect any pre-existing or accepted work agreed to by Scania Australia for the duration of the promotion. 9. Scania Australia may in the future alter any terms of this promotion without notice and in the event Scania Australia chooses to alter the terms of this promotion, then notice will be issued via the website: www.scania.com.au. This would not affect any

pre-existing or accepted work agreed to by Scania Australia for the duration of the promotion. 10. All prices assume presentation of the vehicle, by the customer, to the repairing workshop. 11. Additional breakdown related charges will apply if the vehicle has suffered an involuntary stop at the roadside. 12. The Fitted Price Repairs published are created using Scania's standard times based on standard Scania vehicle specifications and do not include any additional labour required for the removal of catwalks, ancillary equipment, bodywork, superstructures or any non-standard equipment fitted to the vehicle. Additional time required to complete the job in respect of these items will be agreed with the customer prior to any work being carried out. 13. Mineral oils are used in all circumstances. Fitted Price Repairs do not include semi synthetic or fully synthetic oils. If these oils are required the difference in price between mineral oil and the semi synthetic or fully synthetic oils will be charged. 14. All information is believed to be correct at the time of going to press, however, Scania reserve the right to introduce at any time modifications of changes to the jobs and or programme as part of a policy of continuous improvement.

WARRANTY CLAIMS

To make a claim under this warranty:

1. Return the vehicle to a company-owned Scania branch or authorised dealer. 2. Provide details of the warranty (including the invoice for work completed) when delivering your vehicle to the company-owned Scania branch or authorised dealer and ask the service personnel to lodge a claim on your behalf. 3. Complete a claim form if requested. Other documentation such as proof of servicing, invoices etc. may also be required. We will ask for this documentation if we decide that it is required. 4. When travelling away from home, in the event that your vehicle requires emergency repair work and you are unable to deliver your vehicle to a company-owned Scania branch or authorised Scania dealer please contact Scania Assistance on 1300 722 642. Towing, overtime and roadside assistance costs are not covered on any warranty claims.

For more information relating to the terms and conditions relating to warranty claims please contact: Scania Australia Pty Ltd. 212-216 Northbourne Rd, Campbellfield VIC 3061

* PLEASE NOTE: Refundable core fees will be charged at the time of product purchase and will show as a separate line item on your invoice. Core fee credit will be applied to the customer account or invoice when cores are received subject to the following conditions: Cores must be complete, fully assembled, drained of fluids and in rebuildable condition and chassis number and mileage information must also be provided. Burnt products or any cores that are broken damaged or destroyed by incorrect use, dismantling, handling or transportation will not be accepted. Prices within the promotion include GST and conclude end of December 2019, or while stocks last. Images in this brochure are for display purposes only and may not represent actual products. Offers available from your authorised Scania branch or participating dealers. Prices and specifications were correct at the time of printing and are subject to change without notice. ARC Licence number: AU 38531. For a full list of Scania terms and conditions please go to scania.com.au. RTA # AU07116
