www.scania.com.my

Scania pursues an active policy of product development and improvement. For this reason the company reserves the right to change specifications without prior notice. Furthermore, due to national and legal requirements, some accessories may not be available in local markets. For further information in these respects, please contact your local dealer or visit www.scania.com.my

SCANIA ASSISTANCE MALAYSIA

Just a phone call away. Call 1800-08-8500.

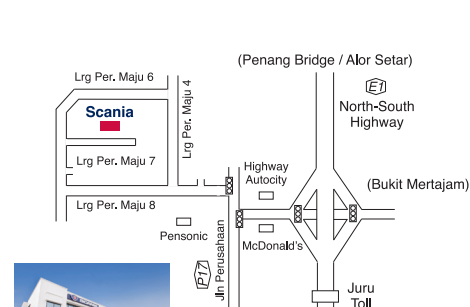

A well-maintained Scania should never cause you any problems. But in the unlikely event that you require assistance, help is at hand – 24 hours a day, 365 days a year. A single call to Scania Assistance Malaysia at 1800-08-8500 (for international calls +603 5590 9077) puts you in touch with well-equipped Scania workshops throughout the country, even in difficult-to-reach areas.

Scania's improved call centre system lets us track and follow up on the status of your case from start to completion, keeping you informed throughout the entire process. We offer fast, effective and efficient service from highly trained and experienced personnel. So you can be sure that no matter where you are, we'll get help to you quickly.
