# SCANIA FUEL CARD

**SCANIA**

# ONE CARD COVERS IT ALL...

The Scania fuel card is a flexible service that caters for fleet operators of any size, covering your whole fleet including vans and cars.

## Why choose our Fuel Card?

Customers benefit from combined purchasing of fuel across our UK fuel network with over 480 approved refuelling sites.

Fuel prices are fixed for 7 days each week starting on a Monday with no minimum usage, meaning you will only pay for the fuel you use.

Available 24 hours a day 365 days a year you have access to our online reports, invoicing, fuel management and adding additional cards.

This is a product designed and operated to benefit you.

Feature	Benefit
A single fixed price all week throughout our network.	Known fixed cost.
No minimum usage.	Unlimited fuel available.
Pricing is based on the Platts pricing model.	Your fuel costs track the oil industry base rate.
You only pay for the fuel you use.	Improved cash flow for your business.
Your first fuel cards are issued free of charge in year 1.	Reduced operating costs.
Can be used at over 480 fuelling stations across the UK including Moto motorway forecourts.	Never far from re-fuelling.
Security protected card.	Providing you with peace of mind, security and access to unmanned pumps which are part of the network.
Manage your card allocations online, cancelling and ordering new cards as required.	Instant access and control, whenever you need it.
One itemised invoice for all services used.	Easy accounting, HMRC compliant and simple allocation of costs.
Free Card protect insurance.	This covers customers for losses up to a maximum of 12,000 litres on their account from the point at which the customer notifies our supplier that a card is a lost card**.
Can be used to pay for the M6 toll and other related products including Ad blue and oil. You choose what the card can be used for.	One card multiple uses, controlled usage and peace of mind in emergencies.
Discounts on selected Scania products*.	Saving you money on driver CPC, product training and telematics services
Free satellite navigation files available for download with fuel station locations.	Know where our stations are wherever you are.
Not just for trucks.	Covers your whole fleet including vans and cars.
Comprehensive reporting delivered directly to you, online, 24 hours a day 365 days a year.	Giving you the information you need to run your business and save money, 24 hours a day.
CO <sub>2</sub> Count - This service provides carbon/Co <sub>2</sub> emissions data relating to fuel usage, including at a transactional level.	Provide third party evidence of Co <sub>2</sub> output to your customers and calculate on going improvements.
