

EXTEND YOUR COVERAGE. EXTEND YOUR PEACE OF MIND.

When you choose a Scania engine, confidence in performance and reliability is a standard feature. Your purchase is backed by years of superior, proven diesel engineering and technology. In addition, every industrial and marine engine is covered by a 12-month warranty* from the day it goes into operation. And maintained by SMART SUPPORT, an unrivaled level of service and technical support for every Scania owner in North America,

Now, you can take that level of confidence to even greater heights.

INTRODUCING: SCANIA EXTENDED COVERAGE.

It's our way of expanding our commitment to exceptional quality and unsurpassed service. Simply put, the coverage is a full extension of the Engines Basic Warranty terms. You will have the option to extend coverage for 2, 3, 4 or 5 years or a maximum of 10,000 hours.

BENEFITS OF SCANIA EXTENDED COVERAGE:

- Full extension of Basic Warranty (including after treatment system)
- Supported by the Global Scania Network
- No deductibles
- Transferable to next owner which means increased re-sale value
- No hidden exclusions
- Available for ordering up to 180 days after "Start of Warranty"
- Covers parts & labor based on retail value
- Reimburses for travel time and mileage

Choosing Scania Extended Coverage provides predictive control of your operational costs and eliminates unanticipated, costly surprises. And since your engines are receiving professional maintenance support from the highly skilled and qualified Scania network, you'll be maximizing uptime and profitability.

INCREASE YOUR PEACE OF MIND AND IMPROVE YOUR BOTTOM LINE WITH SCANIA'S EXTENDED COVERAGE
