

Contract Hire

Scania Contract Hire gives you all the benefits of an operating lease with the additional peace of mind of a repair and maintenance contract. With fixed monthly payments, you know exactly where you stand with financing – and you can rest assured that the majority of your vehicle acquisition and operating costs* are covered.

- A low initial outlay
- Fixed payments each month
- Lower monthly payments
- Rental payments allowable against your taxable profits
- VAT is collected on each rental rather than on outset
- No risk providing return and mileage conditions are met
- Off-balance sheet funding
- Reduce your fleet administration
- Repair and maintenance costs included
- No disposal problems

*Excluding insurance, fuel and driver costs
