

Hire Purchase

Scania Hire Purchase gives you all the benefits of ownership without the hefty capital outlay. Simply pay a deposit and then fix your monthly payments over the length of time that suits you best. You can reclaim VAT at the start of the agreement and any interest charges can be claimed against the tax you pay. It's the perfect finance solution for those who want to get on the road as soon as possible. The vehicle you purchase will appear on your balance sheet as an asset and once all the payments are made, you will own it outright.

- **You own the vehicle and it shows as an asset on your balance sheet**
- **Fixed payments each month**
- **We offer flexible deposit and repayment programmes**
- **You can budget more accurately**
- **VAT is fully reclaimable**
- **Tax writing-down allowances and balloon payments are available**
- **Interest charges are allowable against tax**
