

# HEALTH & SAFETY POLICY STATEMENT

The Directors of TruckEast Limited recognise our responsibilities under the Health and Safety at Work Act 1974 and through this Health and Safety Policy Statement declare our commitment to excellence in the field of health and safety within our Organisation. Safe environments, the quality of our service and productivity of our business are all of equal priority to the directors and managers of the Company.

Our duties are to ensure, as far as is reasonably practicable, the health, safety and welfare of employees, visitors, contractors and anyone else affected by our business.

Our statement of general policy is:

- To provide adequate control of health and safety risks arising from our work activities;
- To consult with our employees on matters affecting their health and safety;
- To provide and maintain safe plant and equipment;
- To ensure safe handling and use of substances;
- To provide information, instruction and supervision for employees;
- To ensure all employees are competent to do their tasks, and to give them adequate training;
- To prevent accidents and cases of work-related ill health;
- To maintain safety and healthy working conditions; and
- To review and revise this Policy as necessary at regular intervals

The Managing Director, who has overall responsibility for Company health and safety matters, is committed to ensuring that legal requirements define our minimum level of achievement and will promote a co-operative effort at all levels within the organisation to achieve continuous improvement to health and safety performance. TruckEast aim to comply fully with all health and safety legislation and actively encourages all representatives of our Company to behave ethically and responsibly in all their actions and decisions.

The Directors believe that effective health and safety management is an essential part of our management structure and by placing an emphasis on the prevention of accidents and ill health, reducing unnecessary losses and liabilities and protecting the environment, we contribute towards successful business performance.
