Health & Safety Policy Statement

West Pennine Trucks Ltd is dedicated to providing our customers, with the best possible products and services, whilst maintaining a safe environment for our employees, contractors, visitors and all other stakeholders.

Our total commitment to continual improvement in every aspect of our business, is demonstrated through the implementation of our health and safety policy and associated arrangements.

The main policy objectives are: -

- Provide and maintain a safe and healthy workplace environment, with a zero accident record.
- Ensure compliance with all current and future quality, and health and safety legislation.
- Provide training for our employees and encourage them to apply best practice at all times.
- Strive to achieve 100% customer satisfaction.
- Continuous improvement in all areas of business activity.

The policy is based on the principle, that the consistent implementation of effective operational systems, which ensure compliance with applicable legislation and reflect both customer, business and health & safety requirements, will result in the continued satisfaction of customer expectations.

It is the policy of the Company to achieve its aims, through the continual improvement of the Company's activities, by the planning, setting, implementation and reviewing of specified and measurable business objectives, established by the Management Team. The Company will provide the necessary resources to ensure effective implementation of this policy.

Robust management principles and practices will be applied to meet these commitments, in order to ensure that West Pennine Trucks achieves the demanding performance objectives which will be routinely reviewed and monitored.

It is the responsibility of management and employees to implement this policy together with their collective and individual responsibility.
