World Class Scania Training provided to support career progression

West Pennine Trucks is one of six independent dealers groups across the Scania network and has held a Scania franchise since 1986. It is the North West's largest privately owned, authorised Scania dealer group and covers the industrial areas of Greater Manchester down into the more rural counties of Cheshire, Staffordshire, Shropshire and mid-Wales.

The West Pennine Trucks team provide the complete sales and aftersales support package and work side by side with some of the most recognisable brands in the UK. There are six depots and two VMU's across the North West, each of which has highly trained staff together with the latest equipment and technology to keep customer operations running efficiently.

West Pennine Trucks is a business dedicated to putting the customer first. We work around the clock to make sure we don't let our customers down.
