

EXTEND YOUR COVERAGE. EXTEND YOUR PEACE OF MIND.

When you choose a Scania engine, confidence in performance and reliability is a standard feature. Your purchase is backed by years of superior, proven diesel engineering and technology. In addition, every marine engine is maintained by **SMART SUPPORT**, an unrivaled level of service and technical support for every Scania owner in North America.

Now, you can take that level of confidence to even greater heights.

SCANIA EXTENDED COVERAGE

It's our way of expanding our commitment to exceptional quality and unsurpassed service. Simply put, the coverage is a full extension of the Engines Basic Warranty terms. You will have the option to extend coverage for up to 3 years. Hour limitation is based on engine rating.

BENEFITS OF SCANIA EXTENDED COVERAGE:

- Same coverage of parts as under the base warranty
- Supported by the Global Scania Network
- No deductibles
- Transferable to next owner which means increased re-sale value
- No hidden exclusions
- Available for ordering up to 180 days after "Start of Warranty"
- Covers parts & labor based on retail value
- Reimburses for travel time and mileage

Choosing Scania Extended Coverage provides predictive control of your operational costs and eliminates unanticipated, costly surprises. And since your engines are receiving professional maintenance support from the highly skilled and qualified Scania network, you'll be maximizing uptime and profitability.

INCREASE YOUR PEACE OF MIND AND IMPROVE YOUR BOTTOM LINE WITH **SCANIA'S EXTENDED COVERAGE**

SCANIA EXTENDED COVERAGE

	RATING	BASIC WARRANTY	AVAILABLE EXTENDED COVERAGE (FOR PURCHASE)
ALL-SPEED	ICFN/IFN	1 yr / Unlimited hrs	Up to 3 yrs / 10000 hrs
	PCL	1 yr / 2000 hrs	Up to 3 yrs / 6000 hrs
	PCS	1 yr / 1200 hrs	Up to 3 yrs / 3600 hrs
	REC*	2 yr / 1000 hrs	Up to 3 yrs / 1500 hrs*
AUXILIARY	PRP	1 yr / Unlimited hrs	Up to 3 yrs / 10000 hrs

For all Scania marine engines, the basic warranty period is a minimum of 12 months from the day the engine was taken into operation, but not beyond 48 months counted from the date the engine was delivered from the Scania factory.

A prerequisite for Extended coverage is a Scania approved engine installation. For ratings PCL and PCS, 1 year of EC is included with a Scania approved engine installation. This gives you 2 years of engine coverage.

* This extended coverage product is in addition to the basic mechanical warranty and does not change the engine's designed useful life.
