Scania's application for delisting approved

The NASDAQ OMX Stockholm stock exchange has approved the application from Scania AB for delisting of Scania's Series A and B shares and has decided that the last day of trading will be 5 June 2014.

For more information, please contact Erik Ljungberg, Senior Vice President, Corporate Relations, tel. +46 73 988 35 57.

Scania is one of the world's leading manufacturers of trucks and buses for heavy transport applications, and of industrial and marine engines. Service-related products account for a growing proportion of the company's operations, assuring Scania customers of cost-effective transport solutions and maximum uptime. Scania also offers financial services. Employing some 41,000 people, the company operates in about 100 countries. Research and development activities are concentrated in Sweden, while production takes place in Europe and South America, with facilities for global interchange of both components and complete vehicles. In 2013, net sales totalled SEK 86.8 billion and net income amounted to SEK 6.2 billion. Scania press releases are available on www.scania.com <http://www.scania.com>
